To the Citizens and Property Owners of Butte County...

Welcome to the Butte County General Plan Update homepage. As residents of the County, we all have the opportunity to participate in creating a strategic update of the General Plan for the County's future, grounded in our shared values and goals. This is such an important time for all of us, as we look to update our General Plan, which will set the policy direction for the County for the next 20 years. The updated plan will be the basis for many of the County's day-to-day decisions. The plan will look at a wide range of topics important to residents, property owners and businesses throughout the County. It will look at affordable housing, reduction of traffic congestion, promotion and enhancement of agriculture as both an economic engine and a way of life, and attracting businesses that provide livable wages and economic growth for the County and its residents.

Sincerely,

Curt Josiassen, Chair, Fourth District

Bill Connelly, Vice-Chair, First District

Jane Dolan, Second District

Mary Anne Houx, Third District

Kim K. Yamaguchi, Fifth District
