Green – Added by PC / Purple – Added by Board

# Evolution Concept (Board Final Direction)

## 1. Principle: Cooperative Planning

Butte County's General Plan will work partner with incorporated cities on mutually important regional planning issues, including, but not limited to such as transportation and sphere of influence planning.

Red – Deleted by CAC / Blue – Added by CAC

Green – Added by PC / Purple – Added by Board

# Evolution Concept (Board Final Direction)

## **1. Principle: Cooperative Planning**

Butte County's General Plan will work with incorporated cities on mutually important regional planning issues, including, but not limited to transportation and sphere of influence planning.

# The Question for You is...

- Is there something glaringly wrong with a principle?
- Is there something missing?
- Is there something that is added that should be deleted or clarified?
- Do you 'get the gist' of what is being said in each principle OR is there some refinement that could be made to clarify it?
