Re: SB 18 Tribal Consultation: Butte County General Plan 2030

Dear Mr. Edwards,

Butte County has recently embarked on its General Plan Update process. Government Code requires local governments to consult with Native American Tribes identified by the Native American Heritage Commission (NAHC) for the purpose of protecting and/or mitigating impacts to culture and places located within the General Plan's boundaries. The required consultation typically takes place toward the end of the update process, prior to the Plan's adoption. Butte County would like to encourage tribal involvement *throughout* the General Plan Update process rather than simply fulfilling the minimum State requirement.

There are many opportunities and channels for your input. Your participation will be most valuable during our Public Workshops and Citizens Advisory Committee meetings. Please take note of our upcoming meetings:

**"City/County Summit"**

January 27, 2007 from 9:00am to 1:00pm at the Southside Community Center, 2959 Wyandotte Avenue, in Oroville

**"Existing conditions and Issue Identification"** (Public Workshop)

March 15, 2007 from 5:00pm to 9:00pm at the Southside Community Center, 2959 Wyandotte Avenue, in Oroville

**"Existing conditions and Issue Identification"** (Citizens Advisory Committee Meeting)

March 29, 2007 from 5:00pm to 9:00pm at the Butte College main campus cafeteria, 3536 Butte Campus Drive, in Oroville

In addition to attending meetings, we encourage you to visit the Butte County General Plan 2030 website at [www.buttegeneralplan.net](http://www.buttegeneralplan.net) for more information and to stay updated. While visiting the website, please take a moment to join the General Plan Update email list to receive regular updates on the process.
