

**Policy Input Provided by CAL-FIRE/Butte County Fire  
On Policy Alternatives Document**

Agriculture Question #12.

- a. The County should not have to develop outreach practices as the state already has regulations in existence and the information is available through CAL FIRE Resource Management.

Support and cooperate with CAL FIRE in their responsibilities related to timber and forest practice laws. An example is: continue the practice , when a building permit is issued in SRA, if timber is to be removed that contact with CAL FIRE must be made.

- d. Work cooperatively with CAL FIRE and states timber resources laws and statutes.
- e. CAL FIRE needs to be added to this as Butte County's primary fire protection service provider.

Transportation Question # 24.

- i. Consult with BCFD and CAL FIRE in identification of those critical roads that would be high priority evacuation routes.

Utilities and Public Services Question # 29

- f. Collaboration with Fire Safe Councils, CAL FIRE , Butte County Fire and other effected Sate agencies.
- i. Should add CAL FIRE and Butte County Fire Department.
- m. Integrate states fire safe regulations (4290, 4291) cooperatively with CAL FIRE Butte /County Fire.
