

5 HOUSING ELEMENT

The Housing Element is subject to a specific schedule set forth in State statute, which required Butte County to adopt and updated Housing Element by August 30, 2009. In order to meet the deadline required in State law, the Board of Supervisors adopted the 2007-2014 Housing Element on August 25, 2009. Because the Housing Element is on a separate schedule from the rest of General Plan 2030, it is not being published as part of this document. The adopted Housing Element can be reviewed at <http://www.buttegeneralplan.net> and at 7 County Center Drive, Oroville.
